Write in the behavior that needs to be worked on in the very top column. Focus on one behavior at a time until you see the change you desire. The "1" means we need to work harder, "2" is getting better but still needs some work, and "3" means good job! Remember to be positive when speaking to your child. For example, instead of saying "stop that", say "quiet feet", "quiet mouth" or "use your words". Tell them what you want to see instead of what you don't.

"I Can Do It" → "I Will Do It" → "I Did It"
